

Fall Prospect Camp Overview

Prospect Camp Overview:

The 2011 Fall Prospect Camp is designed for the 2012, 2013 & 2014 high school prospect. The event will incorporate both individual showcasing and live games over a two day period. Players will be divided by position on day one of the camp and will participate in a pro-style workout that includes the 60 yard dash, infield and outfield defensive showcase and live batting practice. Day two of the camp will feature a double header starting at 9:00 a.m. Players will be divided into 4 teams. Rosters will be built by position so each team will have the same amount of pitchers and position players. The camp staff will perform all of the coaching duties during the games played on day two.

Registration Information: (Please Read)

All participants will have the opportunity to showcase at their primary and secondary positions on Day 1 of the camp. There is no extra charge for this opportunity. **On day 2 all participants will be limited to their primary position during the game, so please be careful of what you write down as your primary position on the registration form.** Primary pitchers will be required to participate in the 60 yard dash, individual batting practice, and will have the option to showcase a secondary defensive position on Day 1.
