Welcome to All Star Baseball Academy

Who we are...

The All Star Baseball Academy (ASBA) is the Delaware Valley's largest, most respected organization for developing young athletes through instruction, competition and mentoring. Our facilities host over one million athletes and spectators each year. Growing rapidly over the past 10+ years, ASBA continues to set new standards of excellence and expand its service to the region.

Who we serve...

Our four family-friendly facilities provide an indispensable platform for bringing your company's products and services to the attention of families in the region. Our customers are primarily families with one or more children and a household income of \$75,000 a year or more—a key target market for your business. With locations serving Chester, Montgomery, Lancaster, Delaware, Philadelphia, Berks and Bucks counties, ASBA hosts more than one million customers and spectators annually! Customers travel from all over the Northeast to visit ASBA for our programs, camps and clinics. Teams travel from as far as Connecticut and Virginia to participate in

programs at our state-of-the-art indoor facilities.

What we do...

All Star Baseball Academy offers a wide variety of services for beginner to advanced baseball and softball players ages 5-18. Our facilities can be used for many sports activities, enabling us to expand our services to other consumers.
