

## Baseball Talent Recruiter

All-Star Baseball Academy (ASBA) is currently accepting resumes for full-time Baseball Talent Recruiters at our corporate office.

Founded in 1998, All-Star Baseball Academy is a well-respected, national leader in the baseball training field, with a focus on mentoring young players and emphasizing the benefits of hard work, commitment, and excellent training routines. ASBA offers both individual and team training at all of our locations for players 5 to 18 years of age.

ASBA has grown from a single location to five locations in Chester, Delaware and Bucks counties of PA, as well as Cherry Hill, NJ. As a result of our expansion and continued success, ASBA is seeking focused candidates who are driven to succeed in a team-oriented environment.

### Responsibilities:

- Ability to assess baseball talent
- Utilize “outside the box” recruiting techniques to source for candidates.
- Evaluate and recommend high quality candidates who meet the skills and requirements for all positions within timelines.
- Develop strong relationships with baseball focused organizations, including universities, colleges and alumni groups to foster networking opportunities with target audience.
- Develop and maintain strong relationships with potential candidates and those who become colleagues of the company.
- Maintain and protect sensitive and confidential information

### Minimum Requirements:

- Candidates should be highly motivated to source talented candidates and drive the recruitment process for all organizational positions.
- Ideal candidate should possess recruiting experience including demonstrated knowledge of sourcing to include social media, cold calling, networking, and other sourcing tools and skills.
- General knowledge of baseball
- A ‘can-do’, “go-getter” approach.
- Ability to work with limited supervision.
- Must be able to develop rapport with leadership quickly.
- Mature attitude and highly professional.
- Strong attention to detail and sense of urgency.

### Education and/or Experience:

- High School graduate and three years of experience.

### Compensation:

- Competitive salary, health and dental Benefits, 401k
